MEMORANDUM FOR RECORD

[ ] of Inspection and Security conferred with me relative to his recent visit to FBIB London and Mediterranean Bureaus. Certain points brought out in our discussion on which action should be taken without delay follow:

25X1

1. [ ] has reservations on an Egyptian boat for September 10. He should be advised immediately to proceed on earliest boat after August 1.

ILLEGIB. 25X1

2. [ ] is administratively not too strong but apparently understands the operational side very well indeed and is very well thought of by the BBC.

25X1

3. [ ] may be somewhat of a problem in that her finances are not in order.

25X1

4. [ ] is somewhat disappointed at his household goods that have not arrived because their early arrival would have enabled him to set up housekeeping, thereby reducing his expenses considerably. [ ] will very shortly need some administrative help on Cyprus. [ ] is not considered qualified for this type of work and some arrangements should be made in this connection very shortly.

25X1

25X1

25X1

5. The dismissal cases for security reasons in Cairo have not been settled. [ ] will discuss this with me, as this should be settled at the earliest possible date

25X1

6. [ ] said that he compiled a list of names for [ ] in April 1947 and believes this list would be most useful in recruiting for the new Cyprus Bureau.

25X1

25X1

7. Two pay checks were lost in the Caversham office for a period of some 48 hours due to careless handling.

8. [ ] has been due for an in-grade raise for almost a year.

25X1

9. [ ] promised to furnish me a copy of his report.

25X1

10. [ ] advises that offices of CIA other than FBIB are dispatching mail, packages, etc., to field bureaus that have a CIA return address on them. He is going to make a study and recommendations on it.
